Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Sunday 18 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with patchy rain on Sunday. Windy over the Hebrides.

Today:
Some bright spells in east at first, but generally cloudy with patchy light rain, though more persistent rain with low cloud towards the coast and over the isles. Southerly winds strong at times around coasts and over the Isles. Maximum temperature 12 deg C (54 deg F).

Tonight:
Mainly cloudy with patchy rain, but gradually rain will become confined to the Hebrides and eastern parts will see a few clear spells develop. Still fresh southerly winds over coasts. Minimum temperature 2 deg C (36 deg F).

Monday:
Generally cloudy but mostly dry with some bright spells. Warmer, especially in east with the odd sunny spell. Thicker cloud in west though with further rain over the Hebrides. Maximum temperature 14 deg C (57 deg F).

Outlook for Tuesday to Thursday:
Rain turning heavier in northwest and pushing across the area Tuesday, but colder, brighter conditions following in afternoon Then mostly dry, bright but chilly, a few wintry showers in northeast.
